Dear Chairman Cole and Ranking Member DeLauro:

I am requesting funding for the Bullhead City AZ 1 MG Reservoir Tank project in fiscal year 2025. The entity to receive funding for this project is the City of Bullhead City, AZ, located at 2355 Trane Road, Bullhead City, AZ, 86442.

The funding would be used to construct a 1 MG reservoir tank using a pre-stressed concrete circular tank. The new well is expected to produce over 1,200 GPM, significantly contributing to the overall water supply in the area. It will also keep the water supply safe through storage solutions for clean water while also avoiding any contamination to the after supply. The project is an appropriate use of taxpayer funds because it will ensure the long-term sustainability and security of the city's water resources. This critical infrastructure project is essential for enhancing the reliability and resilience of Bullhead City's water supply system and addressing the community's growing water needs.

The project has a Federal nexus because the funding provided is for purposes authorized by Section 1452 of the Safe Drinking Water Act, 42 U.S.C. 300j-12.

I certify that I have no financial interest in this project, and neither does anyone in my immediate family.

Sincerely,

Ruben Gallego  
MEMBER OF CONGRESS
