Dear Chairman Cole and Ranking Member DeLauro:

I am requesting funding for the Strategic Upgrade for the Douglas Police Department's Emergency Response and Operations in fiscal year 2025. The entity to receive funding for this project is the City of Douglas, located 425 E 10th Street, Douglas, AZ 85607. The funding would be used aims to enhance emergency responses and daily operations by adopting advanced technology and equipment, focusing on community safety and efficient crisis management. The project is an appropriate use of taxpayer funds because the City of Douglas' will be able to more effectively protect their community with the advanced technology they will purchase with this funding.

The project has a Federal nexus because the funding provided is consistent with purposes authorized in section 501 of the Omnibus Crime Control and Safe Streets Act of 1968 (34 U.S.C. § 10152).

I certify that I have no financial interest in this project, and neither does anyone in my immediate family.

Sincerely,

Ruben Gallego
